

# Authentik Consulting and Training Assessment

May 2018 to July 2023 Inclusive

Published on July 20th 2023

## Introduction

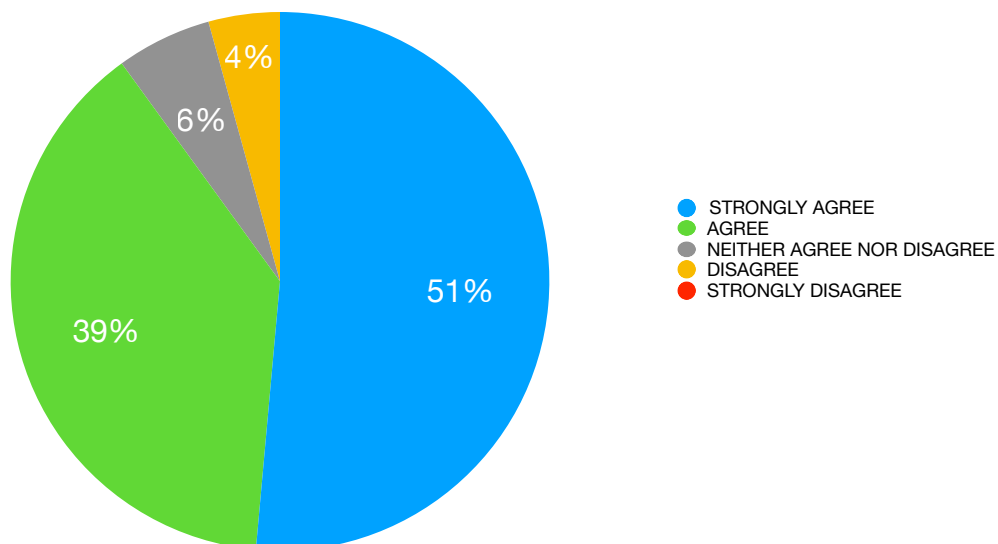

At Authentik, we have a few core principles and values that we stick to no matter what. One of them is transparency, and the other is “prove your worth”. We assess everything, and we share those assessments with our clients. It is incredibly important to us that you know you are getting value for money. If you are wondering about how effective our training is, this is the page for you!

Below is an aggregate summary of all of the assessments we have done on our flagship in-person session, the Core Questions of Restorative Justice Training. This is a one-day session that teaches the basics of behavioural management for leaders, and we have delivered it to a number of clients in higher education, private industry, and the non-profit sector.

We are sharing this data openly because we believe in letting our work speak for itself, and with an average of 92% positive responses across all of our assessment questions, we are confident you will be satisfied with whatever training you book with us. Our training is effective, useful, engaging, and fun, and the charts below are proof of that. If you have any questions, or want to book a consultation, please contact us at [contact@authentikconsulting.ca](mailto:contact@authentikconsulting.ca)!

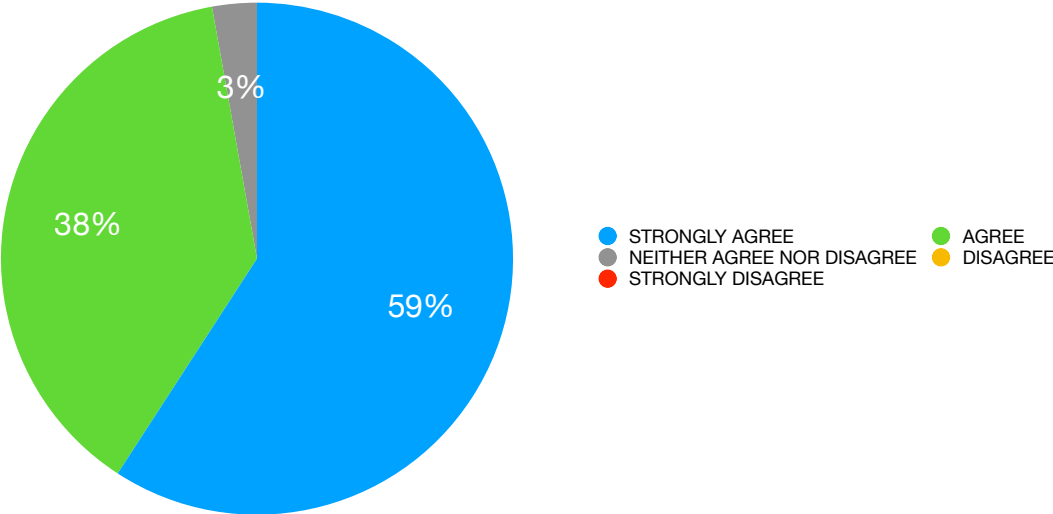

## The Data

QUESTION 1: THE SESSION ALIGNED WITH MY EXPECTATIONS.

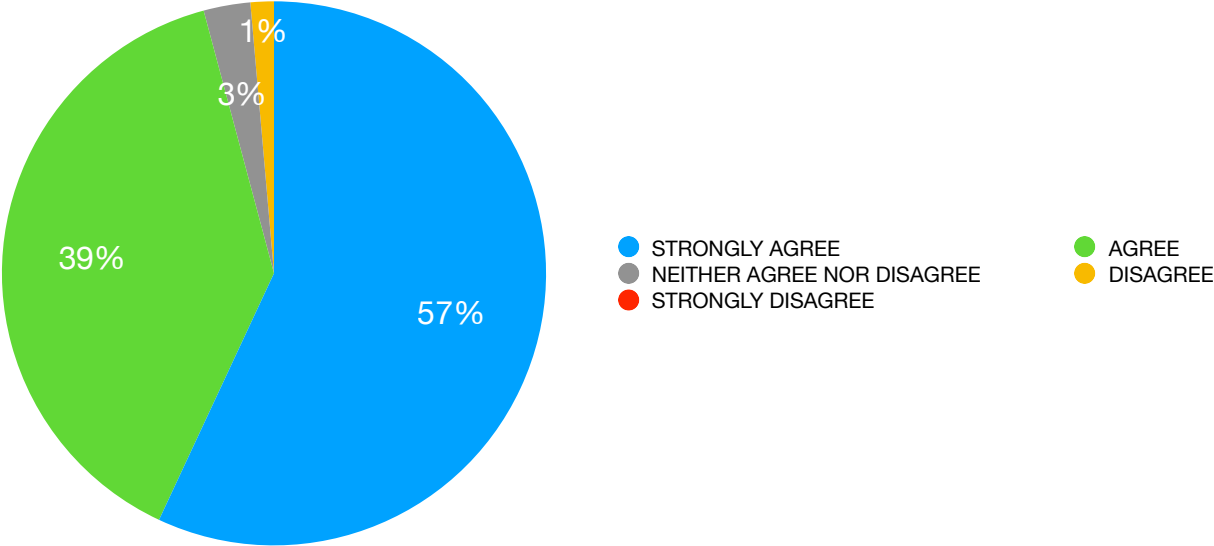

*Note: Of the 4% who answered “disagree”, 75% of respondents stated “I was not told what to expect” - not that they didn’t like it!*

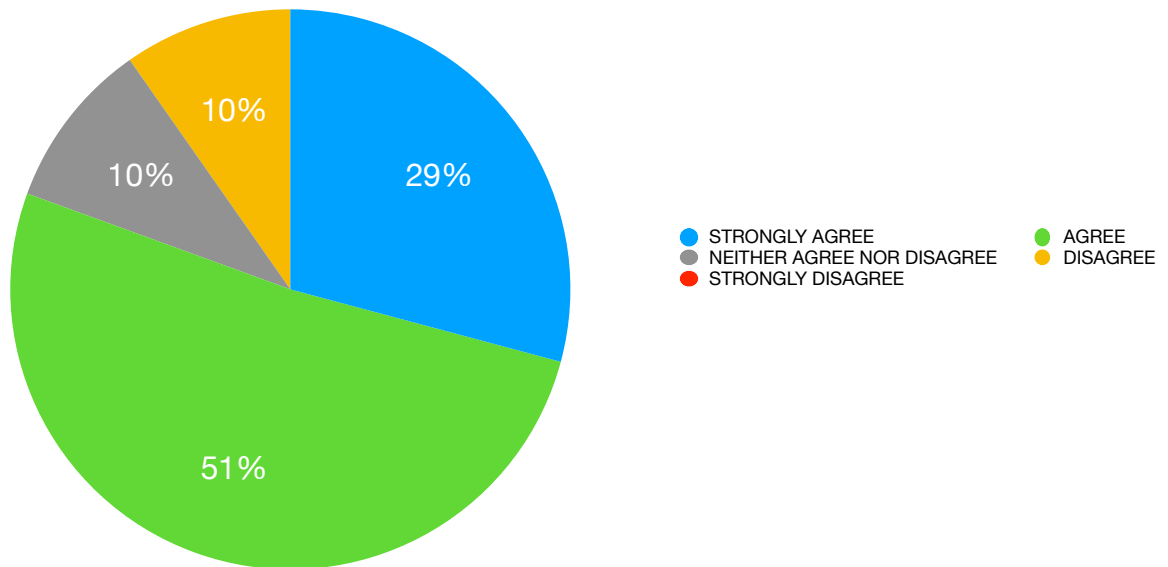

**QUESTION 2: THE SESSION WAS RELEVANT TO ME, MY COMMUNITY, AND/OR MY WORK.**

**QUESTION 3: THE SESSION GAVE ME NEW INFORMATION.**

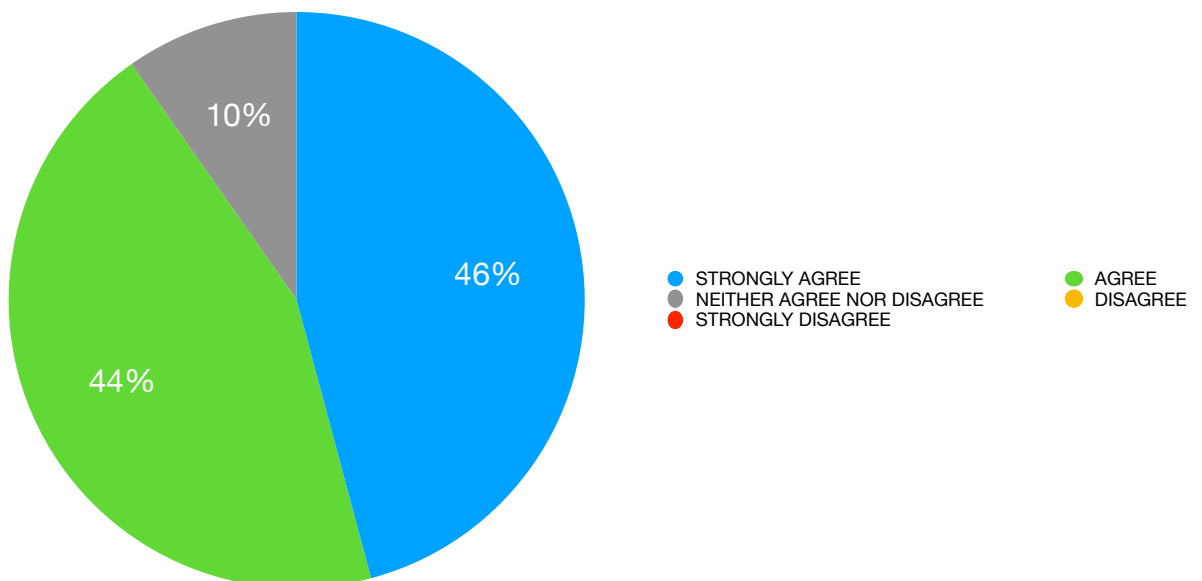

**QUESTION 4: THE PACE OF THE SESSION WAS APPROPRIATE (NEITHER TOO FAST NOR TOO SLOW).**

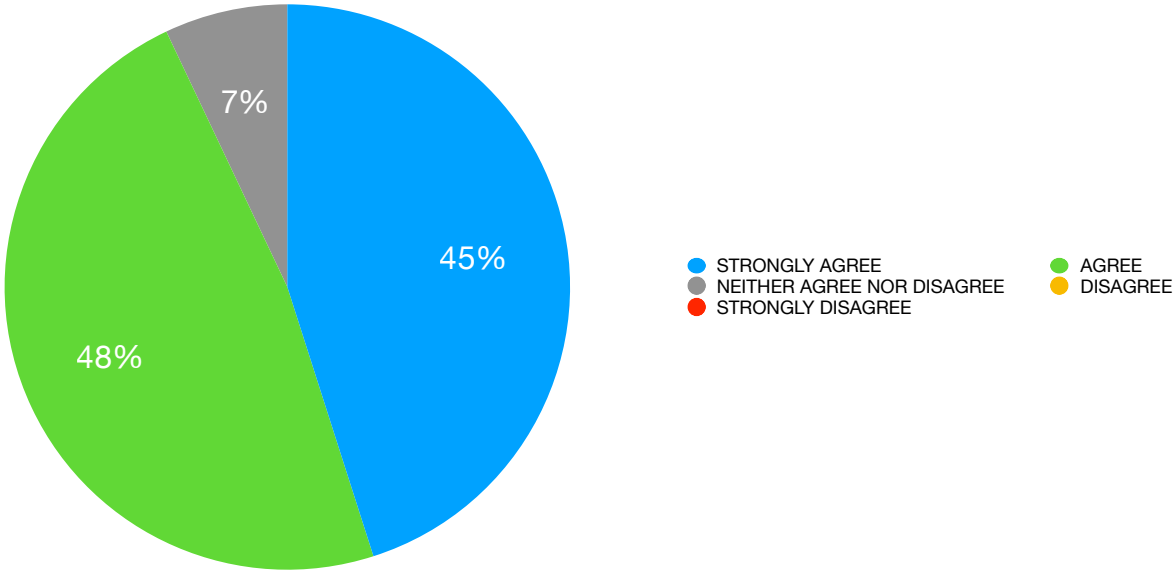

*Note: Guilty as charged! This is our worst performing metric, and that's because Craig talks fast - we fit a lot of content into our day together. But, our goal is your learning - so if we go too fast and you need more time or coaching, Craig is always happy to follow up one on one!*

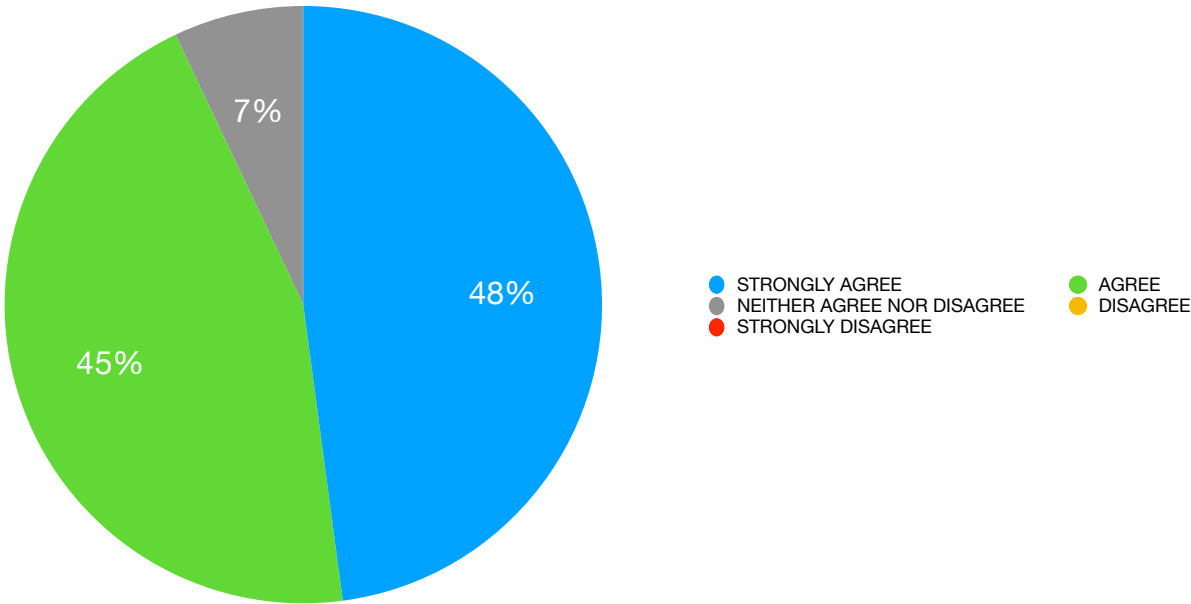

**QUESTION 5: THE MATERIAL WAS USEFUL.**

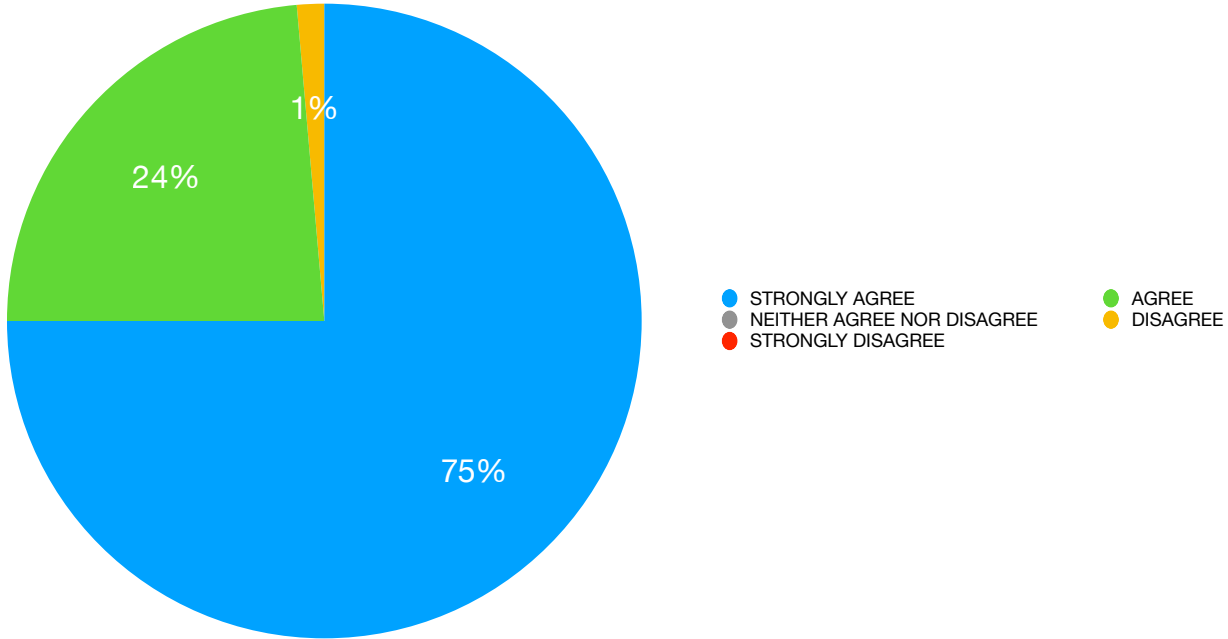

**QUESTION 6: THE OBJECTIVE OF THE SESSION WAS CLEAR.**

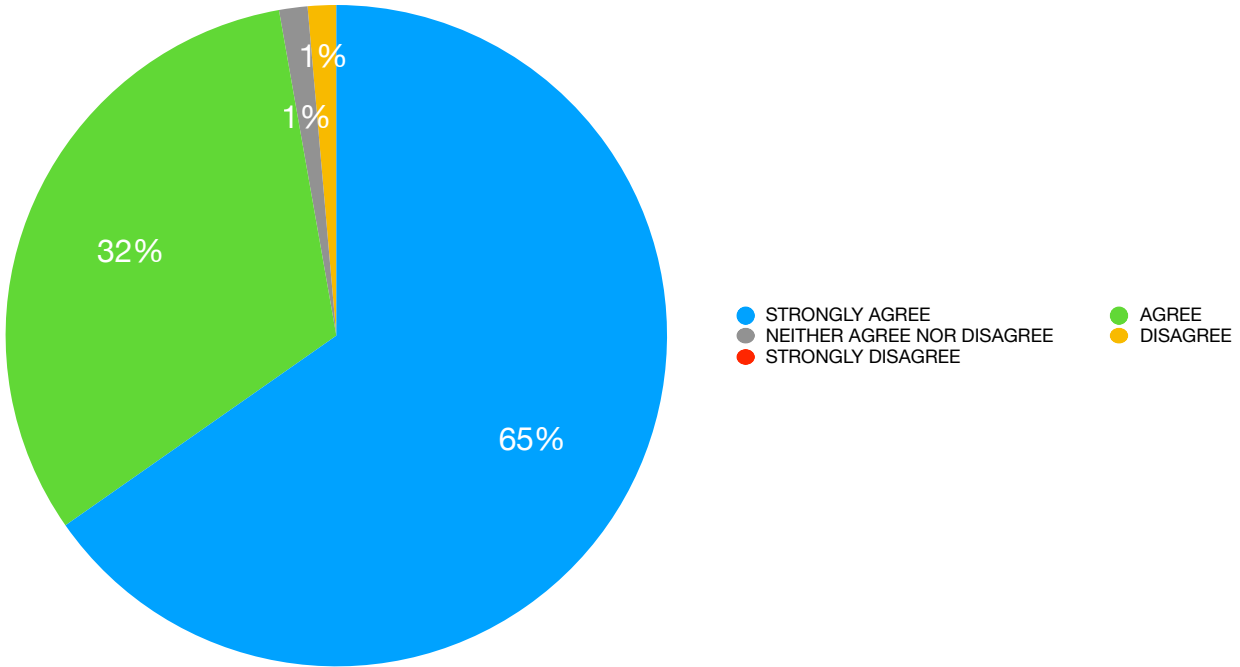

**QUESTION 7: THE OBJECTIVE OF THE SESSION WAS ACHIEVED.**

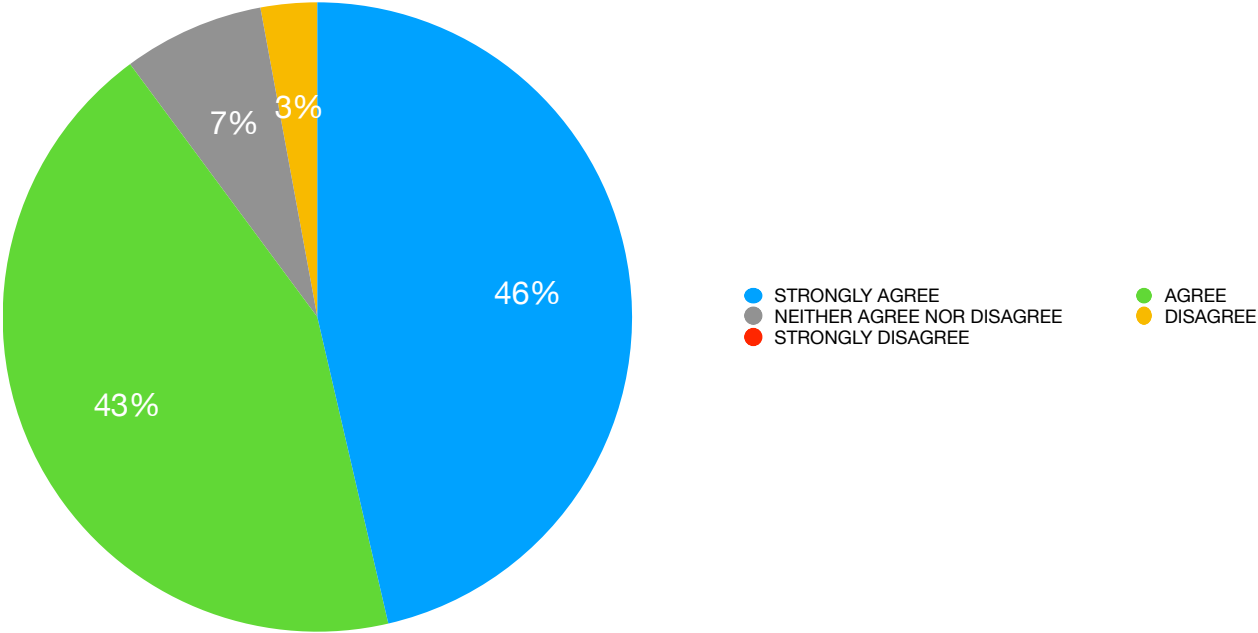

**QUESTION 8: THE PRESENTER WAS ENGAGING.**

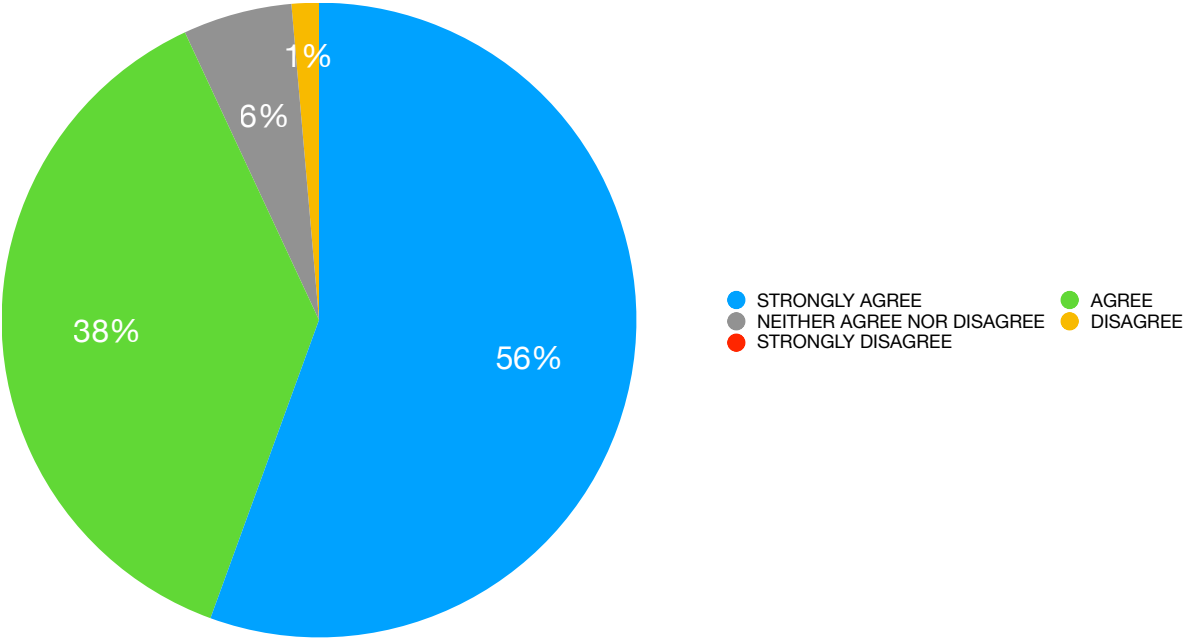

**QUESTION 9: THE PRESENTER ANSWERED QUESTIONS FULLY.**

**QUESTION 10: THE SESSION MADE GOOD USE OF TECHNOLOGY.**

**QUESTION 11: I WOULD RECOMMEND THIS SESSION TO OTHERS.**

**QUESTION 10: I WOULD BE INTERESTED IN MORE SESSIONS LIKE THIS.**
